VIRTUAL SESSION (3-HOUR)

THE FIVE ABSOLUTES TO ACHIEVE HIGH PERFORMANCE

Getting better results on an ongoing basis is becoming a leadership mandate in nearly every organization around the world. This seminar is designed to help business leaders develop a framework with which to systematically increase their personal effectiveness and ability to achieve higher levels of performance. This dynamic, interactive and hands-on learning experience will: provide specific tools to help leaders better understand the causes of managerial failure; equip managers to better focus their people and themselves on desired outcomes; help leaders effectively equip their people to perform at higher levels; demonstrate the importance of creating a working environment that fosters better results; encouraging managers to maximize people power and will make a strong case for developing both people and processes in your quest for better results. Leaders attending this program will walk away knowing how to improve their performance and deliver better results when they go to work the very next day. NO SPECTATORS ALLOWED!
