Oct 10: Strategic Thinking: Essentials for Leading Today's Organizations

This session will give audience participants a clear look at how to think about crafting a strategy that builds a distinctive competitive advantage. The first part of the session looks at the four essential ingredients of strategy: clear mission and vision, choice of competitive strategy, economic basis of profit, and critical success factors. We then apply these ingredients to sharpen our understanding of 1) customers needs, 2) competitors moves, 3) attaining strategic alignment, 4) innovating for the future, and 5) preparing for disruption. A variety of individual and group exercises will encourage participants to actively use these frameworks in a way where they can actually apply their ideas in their workplaces too.
