## Jan 29: Speak to be Heard: Influencing Others to Take Action

Stacey Hanke will help you eliminate the static that plagues communicative delivery - to persuade, sell your ideas, motivate and influence others to act on what you have to say. She will explain the positive actions you can take to increase your impact and value to your peers, clients and teams. This highly interactive session will show you how to immediately implement the influence skills and techniques you learn to your day-to-day conversations. (NOTE: Participants should bring a smartphone or iPad with them to the session.)

Stacey Hanke is co-author of the book *Yes You Can! Everything You Need From A To Z To Influence Others To Take Action*. Her second book, *Influence Redefined*, will be released in early 2017. Stacey is founder of Stacey Hanke Inc. She has trained over 15,000 people to rid themselves of bad body language habits and choose words wisely.

## Feb 28: Developmental and Performance-based Coaching for Today's Workforce

Your individual development plan may be the single most important document to advance your career. You will depart this workshop with your personal plan and the skills and tools to coach and develop Millennials and other career minded staff members on your team. Participants will learn and experience the connection of effective coaching and feedback to each managers team to be able to improve their ability to execute consistently. In the majority (around 70%) of executive failures, the real problem isn't bad strategy. The real problem is bad execution, according to the Fortune Magazine article titled, "Why CEO's Fail". At its core, execution comes down to setting clear expectations and regular coaching and feedback.

Four-time winner of the Business Advisor of the Year in North America, John D. Lankford is passionate about development, performance and results. An expert in executive coaching and developing leadership talent, his fun and lively approach motivates others to embrace development and innovative ideas. As a certified Executive Coach and 4 Time Business Coach of the Year, John loves to coach leaders on his proven coaching techniques. His impressive background is unique, boasting 23 years of corporate and 12 years of entrepreneurial experience. John has facilitated more than two dozen mergers and acquisitions, as well as launching three businesses and ultimately selling two. John provides hands-on, triage support that produces measurable results in real-time. His process provides laser focus on the execution of the plan. Johns coaching and accountability teaches business leaders not to be distracted by bells, whistles, or fads. His leadership experience covers every level of management from front line supervisor to becoming the former CEO of the Innisbrook Leadership Institute. His leadership track record includes leadership positions at the Executive Education team at Ford Motor Company, Oakwood Healthcare, Comcast University and the St John Healthcare system.

## Mar 21: A Master Class in Strategic Thinking for Senior Managers and Executives

This session will give audience participants a clear look at how to think about crafting a strategy that builds a distinctive competitive advantage. The first part of the session looks at the four essential ingredients of strategy: clear mission and vision, choice of competitive strategy, economic basis of profit, and critical success factors. We then apply these ingredients to sharpen our understanding of 1) customers' needs, 2) competitors' moves, 3) attaining strategic alignment, 4) innovating for the future, and 5) preparing for disruption. A variety of individual and group exercises will encourage participants to actively use these frameworks in a way where they can actually apply their ideas in their workplaces too.

Dr. David Lei is Associate Professor of Strategy and Entrepreneurship at the Edwin L. Cox School of Business at Southern Methodist University in Dallas, Texas. He has co-authored the book, "Strategic Management: Building and Sustaining Competitive Advantage". He has also consulted with a wide variety of companies in the past 15 years including Fidelity Investments, IBM, Microsoft, Verizon and Texas Instruments.

## Apr 11: From Player to Coach: Making the Successful Transition to Management

The transition from star player to team coach is a tremendous leap. All too often new managers are thrown into challenging circumstances with limited support and resources. With increasing globalization and the move to virtual environments, managing is more complex than ever before. As an organizational psychologist, Dr. Woodward believes that effective management is rooted in understanding the psychology of human nature.

Dr. Michael Woodward is a certified professional coach who works with both private and corporate clients on building management/leadership capacity and the psychology of career engagement in the New Economy. He is the founder and president of Human Capital Integrated (HCI) and is author of the Amazon.com top selling job book "The YOU Plan: A 5-step guide to Taking Charge of Your Career in the New Economy".

## May 23: Boosting Productivity: Gaining Back Time for Yourself and Your Team

Do you have employees or colleagues with access to your schedule who turn your calendar into a circus? Do you or your team ever have to put in frantic hours to finish projects at the last minute? Have you ever muttered a phrase like, I didnt get anything done today or I wish I had more time? Busy professionals lose up to three hours per day from time leaks. Interruptions, procrastination, distractions, putting out fires, and battling overwhelm are all slow leaks that steal your time when youre not looking. In the business world, this adds up to over ten thousand dollars of lost time per employee each year. In your personal world, this equates to more stress and less quality time with your loved ones. This interactive seminar will give you a crash course on the strategies and tactics that you can implement immediately in order to improve your negotiations with time, plug these time leaks, and tell your time what to do!

By teaching go-getters how to improve their efficiency, Time Management Fixer Helene Segura, MA Ed, CPO helps companies and agencies lower employee stress levels, decrease absenteeism, improve retention and leadership, and increase revenue. Known for her thought-provoking, yet entertaining time management keynotes and seminars that teach practical productivity tools, Helene delivers an experience that resonates deeply and inspires change. Helene has been the featured organizational expert in more than 150 media interviews and is the author of three books - two of which were Amazon best-sellers. Her latest book, *The Inefficiency Assassin: Time Management Tactics for Working Smarter, Not Longer* (New World Library), is the go- to time management resource for thousands of professionals around the world.

## Jun 13: How to Reach, Teach and Engage Various Generations in the Workplace

Sheer demographics suggest that, in the very near future, we will feel strain on our generational talent pools and, consequently, organizational productivity. This seminar will provide leaders with insights and strategies for attracting, engaging and developing talent from all generations, as well as for enhancing intergenerational communication, productivity and results.

Dr. Jan Ferri-Reed is a seasoned consultant and President of KEYGroup, a 28-year Pittsburgh-based speaking, education and assessment firm. ## Jul 23: Take Your High-Performance Leadership Thinking to the Next Level.

High-Performance Leaders are achievement oriented. They are visionary, purposeful, decisive and they get results. At the same time, they relate well to people. They are compassionate, authentic and courageous. But what sets them apart is they have great self awareness and systems awareness. This enables them to effectively navigate stress and change. As High Performance Conscious Leaders, they have the capacity to create highly engaged cultures that drive greater business performance and thriving enterprises. Through a mix of groundbreaking science, story, and experiential learning, youll learn a powerful neuroscience and mindfulness-based 4-step system to learn new ways to master stress, transform your mindset, take your leadership to the next level and make an even bigger difference in the lives of those who you serve.

Dr. Daniel Friedland, is an expert on the science and practice of High-Performance Conscious Leadership and author of *Leading Well from Within: A Neuroscience and Mindfulness-Based Framework for Conscious Leadership*. Dr. Danny helps leaders and their organizations leverage neuroscience and mindfulness-based skills and practices to better navigate stress, clarify vision and purpose, and create high performing teams and thriving cultures to multiply their success and positive impact in the world. His expertise from publishing one of the early textbooks on Evidence-Based Medicine has enabled him to apply science-based solutions to leadership growth and development. He not only understands the science of leadership, but having served as the Founding Chair of the Academy of Integrative Health and Medicine and Co-Chairman of the San Diego Chapter of Conscious Capitalism, intimately understands the blessings and challenges of leadership, and the growth it asks. He serves as the CEO of SuperSmartHealth, where he provides keynote addresses, workshops and executive coaching to cultivate High Performance Conscious Leadership. He speaks at national and global conferences and his clients include Fortune 500 companies and healthcare systems.

## Aug 22: Executive Presence: Convey Confidence and Command Respect as a Leader

Executive presence means conveying confidence as a business leader, commanding respect, and having a professional magnetism that influences others. Executive presence trades passivity and self-doubt for self-assurance, decisiveness, and bold decision making. With this program, leaders will gain the tools to develop their executive presence and become the elite performers who influence outcomes, contribute to major decisions, and drive change for the betterment of the company. They will create a consistent view of themselves as a compelling force inside an organization. They will learn how to utilize executive presence to shape and positively affect the outcome of situations.

## Sep 17: Managing & Leading: Strategies to Help You Excel at Both

This session will explore the essential strategies and techniques required to powerfully lead and manage simultaneously from the same role. Being a manager is one of the most arduous and yet most valuable roles in any organization. The challenge lies in dealing with the expectations of those above and below you while also contributing to people's success around you. When you master this, you will discover how to impact any organization from the middle. You will leave this class with the skills needed to powerfully evolve into a successful Manager.

Ms. Ann Tardy, a former Silicon Valley corporate attorney and a current leadership expert, speaker, and author, Ann has been studying how people impact organizations from the middle for over 25 years. As the author of four books, Ann serves as the Founder and CEO of LifeMoxie Mentoring & Leadership and the Founder and Director of The Mentoring Council. She has cycled from San Francisco to New Jersey and down each coast in a quest to discover what people love about their jobs. Her documentary *Work Matters* captured the interviews she conducted on the bike.
