Oct 10: The Art of Diagnosis: Solving the Right Problem the First Time

The Art of Diagnosis provides new insights into how individuals and teams can solve the right problem the first time. The critical challenge is that all too often when tackling problems, individuals and teams suffer from a set of biases and impediments that cause them to focus prematurely on problem solving and "jump to solutions". In contrast, this program focuses on the art of comprehensively formulating problems before solving them. Participants will learn a variety of specific and proven processes to help them and their teams solve the right problem the first time.
