## Jan 17: How Innovative Thinking Leads to Extraordinary Outcomes

Successful organizations operate on the edge of chaos and embrace risk, error, and ambiguity, while practicing strategies that reduce the need for doing, undoing, and redoing. You will learn key strategies and practical tools to give you the adaptive capacity to work creatively with change and uncertainty. We will discuss strategies for tapping the human potential for creative thinking, from the inception of ideas to their transformation into practical business strategies and innovations. Learn how effective leaders infuse all levels of the organization with the creative capacity to achieve extraordinary outcomes.

Dr. Iris Firstenberg is an Adjunct Associate Professor of Psychology, UCLA and Adjunct Associate Professor of Management at UCLA Anderson School of Management. She teaches seminars on creativity and innovation for a large number of Fortune 500 companies as well as government agencies. She has co-authored three books including her latest, *Extraordinary Outcomes: Shaping an Otherwise Unpredictable Future* (John Wiley & Sons).

## Feb 21: Speak to be Heard: Influencing Others to Take Action

Stacey Hanke will help you eliminate the static that plagues communicative delivery - to persuade, sell your ideas, motivate and influence others to act on what you have to say. She will explain the positive actions you can take to increase your impact and value to your peers, clients and teams. This highly interactive session will show you how to immediately implement the influence skills and techniques you learn to your day-to-day conversations. (NOTE: Participants should bring a smartphone or iPad with them to the session.)

Stacey Hanke is co-author of the book *Yes You Can! Everything You Need From A To Z To Influence Others To Take Action*. Her second book, *Influence Redefined*, will be released in early 2017. Stacey is founder of Stacey Hanke Inc. She has trained over 15,000 people to rid themselves of bad body language habits and choose words wisely.

## Mar 20: Breakthrough Ideas: How to Become a More Strategic Thinker

Being strategically competitive in today's chaotic and complex global environment requires a different way of looking at how we approach strategic thinking. Leaders who are tasked with strategic responsibility must be attentive, agile, adaptive and innovative thinkers. Four key issues are addressed in this session: Why do organizations need strategic thinkers? What is strategic thinking? Who is a strategic thinker? How can strategic thinking be developed?

Dr. Julia Sloan, author of the definitive book *Learning to Think Strategically*, is widely recognized for her pioneering work in the application of complex cognitive theory to everyday global strategic thinking practice. Her work draws upon more than two decades of her own expatriate corporate experience working on strategy to align the business agenda with prevailing economic, cultural and social issues.

## Apr 17: Powerful Communication: Craft and Deliver your Message with Authority and Authenticity

Effective communication can impress people but powerful communication can move people to action. This course identifies the elements of powerful communication and teaches the participants how to harness and utilize their own individual skills to become a communicator that persuades, inspires, and transforms. The course will be highly interactive with group exercises, skills assessment, demonstrations, critiquing and opportunity for on-site application.

## May 15: Boosting Productivity: Gaining Back Time for Yourself and Your Team

Do you have employees or colleagues with access to your schedule who turn your calendar into a circus? Do you or your team ever have to put in frantic hours to finish projects at the last minute? Have you ever muttered a phrase like, I didn't get anything done today or I wish I had more time? Busy professionals lose up to three hours per day from time leaks. Interruptions, procrastination, distractions, putting out fires, and battling overwhelm are all slow leaks that steal your time when you're not looking. In the business world, this adds up to over ten thousand dollars of lost time per employee each year. In your personal world, this equates to more stress and less quality time with your loved ones. This interactive seminar will give you a crash course on the strategies and tactics that you can implement immediately in order to improve your negotiations with time, plug these time leaks, and tell your time what to do!

By teaching go-getters how to improve their efficiency, Time Management Fixer Helene Segura, MA Ed, CPO helps companies and agencies lower employee stress levels, decrease absenteeism, improve retention and leadership, and increase revenue. Known for her thought-provoking, yet entertaining time management keynotes and seminars that teach practical productivity tools, Helene delivers an experience that resonates deeply and inspires change. Helene has been the featured organizational expert in more than 150 media interviews and is the author of three books - two of which were Amazon best-sellers. Her latest book, *The Inefficiency Assassin: Time Management Tactics for Working Smarter, Not Longer* (New World Library), is the go-to time management resource for thousands of professionals around the world.

## Jul 17: Take Your High-Performance Leadership Thinking to the Next Level.

High-Performance Leaders are achievement oriented. They are visionary, purposeful, decisive and they get results. At the same time, they relate well to people. They are compassionate, authentic and courageous. But what sets them apart is they have great self awareness and systems awareness. This enables them to effectively navigate stress and change. As High Performance Conscious Leaders, they have the capacity to create highly engaged cultures that drive greater business performance and thriving enterprises. Through a mix of groundbreaking science, story, and experiential learning, you'll learn a powerful neuroscience and mindfulness-based 4-step system to learn new ways to master stress, transform your mindset, take your leadership to the next level and make an even bigger difference in the lives of those who you serve.

Dr. Daniel Friedland, is an expert on the science and practice of High-Performance Conscious Leadership and author of *Leading Well from Within: A Neuroscience and Mindfulness-Based Framework for Conscious Leadership*. Dr. Danny helps leaders and their organizations leverage neuroscience and mindfulness-based skills and practices to better navigate stress, clarify vision and purpose, and create high performing teams and thriving cultures to multiply their success and positive impact in the world. His expertise from publishing one of the early textbooks on Evidence-Based Medicine has enabled him to apply science-based solutions to leadership growth and development. He not only understands the science of leadership, but having served as the Founding Chair of the Academy of Integrative Health and Medicine and Co-Chairman of the San Diego Chapter of Conscious Capitalism, intimately understands the blessings and challenges of leadership, and the growth it asks. He serves as the CEO of SuperSmartHealth, where he provides keynote addresses, workshops and executive coaching to cultivate High Performance Conscious Leadership. He speaks at national and global conferences and his clients include Fortune 500 companies and healthcare systems.

## Aug 20: Executive Presence: Convey Confidence and Command Respect as a Leader

Executive presence means conveying confidence as a business leader, commanding respect, and having a professional magnetism that influences others. Executive presence trades passivity and self-doubt for self-assurance, decisiveness, and bold decision making. With this program, leaders will gain the tools to develop their executive presence and become the elite performers who influence outcomes, contribute to major decisions, and drive change for the betterment of the company. They will create a consistent view of themselves as a compelling force inside an organization. They will learn how to utilize executive presence to shape and positively affect the outcome of situations.
