# EXCEPTIONAL LEADERSHIP: FOUR SKILLS EVERY MANAGER MUST MASTER

Every manager has the opportunity to be a great leader! Leadership is the quality necessary for managers who need to accomplish objectives with and through people. With survey responses from over 100,000 employees around the world, we'll examine what managers in the Best-of-the-Best organizations do to lead and inspire their teams. In this interactive session, we will discuss and action plan in the areas of developing and communicating a vision, leading change, coaching and inspiring team members. The difference between the companies that will be the success stories of the future and those who will struggle in their shadows boils down to the leadership provided by the organization's management team. Simply put, your team members deserve great leadership.
