Session Description

Accomplishing the goals of any organization requires savvy employees who know how to forge alliances and avoid animosities. In this session, participants will identify which of the rules of positive politics they are most likely to violate; obtain guidelines for their own conduct and for managing relationships with co-workers and their own manager; learn to avoid pitfalls in business communication, both oral and written; become adept at tapping into the power structure within an organization; explore a real-world case study that involves numerous political issues; learn how to network in order to expand their influence and recruit supporters for their initiatives and career; and enhance their working relationship with their manager.
