Session Description

High-Performance Leaders are achievement oriented. They are visionary, purposeful, decisive and they get results. At the same time, they relate well to people. They are compassionate, authentic and courageous. But what sets them apart is they have great self awareness and systems awareness. This enables them to effectively navigate stress and change. As High Performance Conscious Leaders, they have the capacity to create highly engaged cultures that drive greater business performance and thriving enterprises. Through a mix of groundbreaking science, story, and experiential learning, you'll learn a powerful neuroscience and mindfulness-based 4-step system to learn new ways to master stress, transform your mindset, take your leadership to the next level and make an even bigger difference in the lives of those who you serve.

Biography

Dr. Daniel Friedland, is an expert on the science and practice of High-Performance Conscious Leadership and author of *Leading Well from Within: A Neuroscience and Mindfulness-Based Framework for Conscious Leadership*. "Dr. Danny" helps leaders and their organizations leverage neuroscience and mindfulness-based skills and practices to better navigate stress, clarify vision and purpose, and create high performing teams and thriving cultures to multiply their success and positive impact in the world. His expertise from publishing one of the early textbooks on Evidence-Based Medicine has enabled him to apply science-based solutions to leadership growth and development. He not only understands the science of leadership, but having served as the Founding Chair of the Academy of Integrative Health and Medicine and Co-Chairman of the San Diego Chapter of Conscious Capitalism, intimately understands the blessings and challenges of leadership, and the growth it asks. He serves as the CEO of SuperSmartHealth, where he provides keynote addresses, workshops and executive coaching to cultivate High Performance Conscious Leadership. He speaks at national and global conferences and his clients include Fortune 500 companies and healthcare systems.
