VIRTUAL LEADER: DISCOVER, DISRUPT AND DELIVER RESULTS

With recent seismic shifts in the way we interact and connect in the workplace, effective leadership is needed now more than ever. This program helps leaders develop the skills needed for success in the new working environment. Discover the key attributes of effective virtual leaders. Explore how different leadership styles impact productivity and engagement in the digital space. Learn how small shifts in your leadership style can yield big results for your team and, ultimately, your organization.
