PROVEN STRATEGIES FOR SALES SUCCESS IN A VIRTUAL WORLD

A global pandemic has changed the way companies buy, which means you have to change the way you sell. This session will equip you with proven strategies to adapt and thrive so that you can generate qualified leads, close more deals, retain customers and get a consistent flow of referrals. Learn how top sales professionals fully leverage technology to facilitate multi-touch point connections with buyers, critical for our new world of virtual work. Learn what it takes to make a successful virtual sales call that generates results. Discover how to overcome common buyer objections due to uncertainty, cost and risk aversion. In addition to the new techniques and strategies covered, participants will be challenged to embrace the new mindset required for success in the virtual world. The goal of this session is to enable sales professionals to continue delivering outstanding value for their customers while achieving even greater career success.
