This lively, musical presentation will engage your brain and body as Bronkar explores how to embrace change, be inspired by disruption, and effortlessly improvise with the jazz of life. Pulling from his experience doing over 5,000 live shows Bronkar Lee will help invigorate you and your team through the power of music with this one-of-a-kind experience. This program will help you feel re-energized, inspired, and optimistic for work and life. BRONKAR LEE

Bronkar Lee isn't your typical keynote speaker. His unique background includes touring Europe as ringmaster to a world-renowned circus, appearing with Jay Leno on the Tonight Show, starring in a SuperBowl commercial, and beatboxing with his son in a viral video that received over 200 Million views.

Bronkar plays 42 instruments and counting (including drums, saxophone, guitar, and handpans) which he's incorporated into live performances and presentations for over 20 years. He has produced multiple theater shows and founded the Set Your Tone Summit in Atlanta, Georgia (a full-day experience of live music and Ted-talk style presentations from various thought leaders). Additionally, Bronkar is a focus coach and author of BAM: Bold Achievement Method. Pulling from these vastly different experiences, Bronkar provides a refreshingly energetic perspective on the importance of physical health, mental wellbeing, and personal development.
