LEADING FROM ANYWHERE: THE ESSENTIAL GUIDE TO MANAGING REMOTE TEAMS

The research shows that employees are more productive and engaged when they have the freedom to work from anywhere-which means leaders need the skills to lead from anywhere. In this session, you'll learn how to handle the key inflection points and challenges that remote leaders face from building bonds and team culture, to rules for communication, to limiting distractions and avoiding burnout. This session provides everything you'll need to survive and thrive as the leader of a remote team-which is something all leaders will need to consider themselves from now on.

DR. DAVID BURKUS
