HOW TO THINK STRATEGICALLY: ESSENTIAL SKILLS TO INCREASE YOUR IMPACT

You have heard the term "strategic thinking," but what does it actually mean? This course cuts through the ambiguity and teaches the concrete actions required to think and act strategically. Learn how be recognized as someone who is strategic, get your ideas heard, and make a lasting impact on improving the performance of your organization. Discover how to be indispensable in your current role and become the first person people think of when more senior and strategic opportunities become available.
