COLLABORATIVE LEADERSHIP: HOW TO BUILD TRUST, OVERCOME OBSTACLES AND ACCELERATE TEAM SUCCESS

Transformation is impossible without human-to-human connection. We can only change ourselves, our teams, our organizations, and the world, when we exchange experiences and circulate our wisdom. Through collaboration we can accelerate each others success, shift the conversations we create, and generate new ideas and solutions together!

In this program, we'll look at how to realistically muster the courage and energy to ignite collaboration when it's not an organizational mandate or a societal requirement. We'll explore the best (and worst) practices for collaborating. And we'll discover that the power of peers is always ready to serve regardless of our titles, positions, or circumstances. It's time for richer connections at work and in life.

ANN TARDY

As a former Silicon Valley corporate attorney and a current CEO, Ann knows people from many dynamics. Working alongside some of the best and brightest lawyers, entrepreneurs, VCs, and business owners, Ann incorporated companies, negotiated mergers, managed venture-backed financings, and held the hands of many anxious CEOs, and loved it. She then started her own law firm representing over 75 entrepreneurs, grew it until her CEOs became friends, and then sold it to a larger firm that continues to represent entrepreneurs and start-ups nationwide. In 2003 Ann followed her passion to work with leaders and launched LifeMoxie Mentoring & Leadership to transform corporate America by transforming where and how people lead. Her programs, books and speeches are loved by clients such as Kaiser Permanente, Duke Energy, Macys, and Southern California Edison. As a speaker and author, Ann prepares people to execute powerfully in ever-changing environments. From keynotes to executive retreats, Ann influences audiences with her experiences and her 25 years of leadership. She is the author of four books: *Ambition on a Mission* (2007), *Moxie for Managers* (2011), *Why Mentoring Matters* (2013), and *The Joy of Mentoring* (2015). They have become popular books for companies that are committed to creating strong leaders and strong cultures in this fiercely competitive marketplace.
