TRANSFORMATIONAL LEADERSHIP: GENERATE ENGAGEMENT, BOOST ACCOUNTABILITY, DRIVE RESULTS

Transformational leaders, those leaders who really make an impact, know that their role is to capture the hearts and minds of their team while inspiring them to greatness. They lead with empathy and courage to eliminate negative mental energy and foster an environment in which employees embrace reality and are willing to change. This program is for all leaders ready to take their skills to the next level. Learn strategies to improve:

- Personal accountability
- Mental toughness
- Business readiness
- Organizational alignment
- Drive for results

DR. NICOLE PRICE

As CEO of Lively Paradox, a training and development organization comprised of 'people who help your people get along', Dr. Nicole Price believes that difference is strength and diversity is opportunity. Dr. Price is the author of Lively Paradox: An Authentic Perspective on Issues of Diversity and Inclusion and her work involves leadership development, coaching, consulting, and keynotes which encourage and enable others to live their lives in excellence. Her energetic and engaging sessions leverage her 'real world' corporate experience as an engineer and manager and leave participants with strategies and tools that they can apply right away. Shell make you laugh; shell make you think; shell make you better!
