## HOW TO STAY PRODUCTIVE, POSITIVE, AND ENERGIZED: 7 STEPS TO GREATER RESILIENCE

The rapid pace of change and unrelenting demand for your time can leave you feeling drained. This class is an excellent opportunity to "recharge your batteries" as a leader. Learn seven leadership strategies for helping both you and your team become more resilient and productive in times of adversity and change.

"The scientific research shows that more than education, more than experience, more than training, it's RESILIENCE that determines who succeeds and who fails" Andrew Shatte, Ph.D. Harvard Business Review
