AUTHENTIC LEADERSHIP: BUILD TRUST, RESOLVE CONFLICTS, AND INSPIRE OTHERS

Authenticity is critical to success and effectiveness for 21st century leaders. Now more than ever, it's essential for leaders to build authentic relationships in order to build trust, resolve conflicts, and create a true sense of inspiration and unity for their teams and organizations. This interactive program is filled with insight and practical techniques; all grounded in positive psychology and strengths-based leadership principles. Some of the core themes covered are: Ways to build trust genuinely; techniques for creating a team environment and company culture of transparency; how to engage in difficult conversations, facilitate the resolution of conflicts, and give feedback in an authentic and effective way; tips for engaging team members authentically; the key distinction between recognition and appreciation; and how to utilize the power of appreciation to drive results.
