STRATEGIC THINKING: HOW TO MAKE BETTER DECISIONS BY AVOIDING STRATEGIC PITFALLS AND DERAILERS

The higher you are in the organization, the more complex problems (and opportunities) become. This fast-paced program will help you refine the advanced decision making and strategic thinking skills required to succeed in a senior role.

- Discover how to increase the quality of your decisions, and those of your team, even in situations with ambiguous information, loosely structured problems, and complex trade-offs
- Learn how to identify the early warning signs of problems in your business and, even better, proven strategies for avoiding them
- This interactive program will draw on insightful examples of leadership successes to emulate and failures to avoid

Don't miss this opportunity to learn from Dr. Sydney Finkelstein, recognized as one of the "World's Top 25 Leadership Gurus" and Professor at the Tuck School of Business at Dartmouth.

DR. SYDNEY FINKELSTEIN

Sydney Finkelstein is the Steven Roth Professor of Management at the Tuck School of Business at Dartmouth College.
