DIFFICULT CONVERSATIONS: A MANAGERS GUIDE TO THE TOUGHEST WORKPLACE AND EMPLOYEE CHALLENGES

This program teaches essential skills that every manager needs to succeed.

- Learn proven strategies for having courageous conversations to tackle the most challenging workplace and employee issues.
- Discover how to address performance problems and provide feedback with candor and grace.
- Become comfortable having difficult conversations 'in the moment' so that minor issues are addressed quickly and don't become significant issues saved for annual reviews.

This will be a fun and interactive program designed to help successful managers become even better. With years of experience as a VP of HR, Margaret Morford has no shortage of real-world examples to use in her seminar (she guarantees many will sound familiar to you!).
