MODULE 3 - LEADING WITH IMPACT & DEVELOPING OTHERS

Becoming a leader is a significant milestone in one's career journey, but it comes with its own set of challenges. New leaders often find themselves grappling with setting clear expectations, delegating tasks efficiently, and providing constructive feedback to their team members. These challenges can impede their effectiveness and confidence in their leadership roles. However, with the right strategies, new leaders can improve their effectiveness and become more proficient in leading their teams towards success.

ANN TARDY

As a former Silicon Valley corporate attorney and a current CEO, Ann knows people from many dynamics. Working alongside some of the best and brightest lawyers, entrepreneurs, VCs, and business owners, Ann incorporated companies, negotiated mergers, managed venture-backed financings, and held the hands of many anxious CEOs, and loved it. She then started her own law firm representing over 75 entrepreneurs, grew it until her CEOs became friends, and then sold it to a larger firm that continues to represent entrepreneurs and start-ups nationwide. In 2003 Ann followed her passion to work with leaders and launched LifeMoxie Mentoring & Leadership to transform corporate America by transforming where and how people lead. Her programs, books and speeches are loved by clients such as Kaiser Permanente, Duke Energy, Macys, and Southern California Edison. As a speaker and author, Ann prepares people to execute powerfully in ever-changing environments. From keynotes to executive retreats, Ann influences audiences with her experiences and her 25 years of leadership. She is the author of four books: *Ambition on a Mission* (2007), *Moxie for Managers* (2011), *Why Mentoring Matters* (2013), and *The Joy of Mentoring* (2015). They have become popular books for companies that are committed to creating strong leaders and strong cultures in this fiercely competitive marketplace.
