Jan 30: Speak to be Heard: Influencing Others to Take Action

Stacey Hanke will help you eliminate the static that plagues communicative delivery - to persuade, sell your ideas, motivate and influence others to act on what you have to say. She will explain the positive actions you can take to increase your impact and value to your peers, clients and teams. This highly interactive session will show you how to immediately implement the influence skills and techniques you learn to your day-to-day conversations. (NOTE: Participants should bring a smartphone or iPad with them to the session.)

Stacey Hanke is co-author of the book *Yes You Can! Everything You Need From A To Z To Influence Others To Take Action*. Her second book, *Influence Redefined*, will be released in early 2017. Stacey is founder of Stacey Hanke Inc. She has trained over 15,000 people to rid themselves of bad body language habits and choose words wisely.

Feb 19: Developmental and Performance-based Coaching for Today's Workforce

Your individual development plan may be the single most important document to advance your career. You will depart this workshop with your personal plan and the skills and tools to coach and develop Millennials and other career minded staff members on your team. Participants will learn and experience the connection of effective coaching and feedback to each managers team to be able to improve their ability to execute consistently. In the majority (around 70%) of executive failures, the real problem isn't bad strategy. The real problem is bad execution, according to the Fortune Magazine article titled, "Why CEO's Fail". At its core, execution comes down to setting clear expectations and regular coaching and feedback.

Four-time winner of the Business Advisor of the Year in North America, John D. Lankford is passionate about development, performance and results. An expert in executive coaching and developing leadership talent, his fun and lively approach motivates others to embrace development and innovative ideas. As a certified Executive Coach and 4 Time Business Coach of the Year, John loves to coach leaders on his proven coaching techniques. His impressive background is unique, boasting 23 years of corporate and 12 years of entrepreneurial experience. John has facilitated more than two dozen mergers and acquisitions, as well as launching three businesses and ultimately selling two. John provides hands-on, triage support that produces measurable results in real-time. His process provides laser focus on the execution of the plan. Johns coaching and accountability teaches business leaders not to be distracted by bells, whistles, or fads. His leadership experience covers every level of management from front line supervisor to becoming the former CEO of the Innisbrook Leadership Institute. His leadership track record includes leadership positions at the Executive Education team at Ford Motor Company, Oakwood Healthcare, Comcast University and the St John Healthcare system.

Sep 18: Managing & Leading: Strategies to Help You Excel at Both

This session will explore the essential strategies and techniques required to powerfully lead and manage simultaneously from the same role. Being a manager is one of the most arduous and yet most valuable roles in any organization. The challenge lies in dealing with the expectations of those above and below you while also contributing to people's success around you. When you master this, you will discover how to impact any organization from the middle. You will leave this class with the skills needed to powerfully evolve into a successful Manager.

Ms. Ann Tardy, a former Silicon Valley corporate attorney and a current leadership expert, speaker, and author, Ann has been studying how people impact organizations from the middle for over 25 years. As the author of four books, Ann serves as the Founder and CEO of LifeMoxie Mentoring & Leadership and the Founder and Director of The Mentoring Council. She has cycled from San Francisco to New Jersey and down each coast in a quest to discover what people love about their jobs. Her documentary Work Matters captured the interviews she conducted on the bike.

Oct 03: Critical Thinking: A Key Element Necessary to Reach the Best Decisions

High quality decisions have always been essential for strong business performance. Yet with the increasing speed, complexity and data availability in today's competitive environment, superior decision skills are more important than ever. This workshop will help you improve your decision-making skills by offering behavioral insights into how people actually think and make decisions. It then teaches the advanced critical thinking skills and creative strategies needed to manage unfamiliar, highly complex problems or decisions that involve significant uncertainty.
