Apr 12: Motivation, Cooperation and Trust: Reaching for the Next Level

Unlike most motivational programs that do little more than explain the why of human behavior, this program shows you the how. You will learn specific communication skills to inspire productivity in others, build their trust, fuel their accomplishment, and assure their peak performance. When you give people the care they need, they produce the results you want. The objectives for this program include: (1) learning to avoid practices that erode motivation; (2) learning to generate lasting enthusiasm in others; (3) mastering a communication system that brings out the best in others; (4) practicing feedback strategies that improve work processes, boost performance and change unproductive behavior; (5) learning to create an atmosphere of respect and trust in the workplace; (5) learning to increase employee investment in organizational success.

Dr. Alan Zimmerman is the founder and President of ZCN, a training and consulting firm. He has delivered more than 3,000 management development programs over the last 15 years to such clients as 3M, Ernst & Young, Prudential, Target, US Steel and numerous others.
